

Who We Are

ICS delivers over 20 years of experience and commitment to our clients. We're a leader in recruiting, hiring and retaining talent from various demographics to build a diverse workforce. Unlike other staffing companies, we specialize in customizing your employment by understanding your career goals combine with your passion. We believe in integrity, commitment, and service.

What We Do

ICS believes in connecting the right people with the right positions in the right companies.

"ICS promotes workplace diversity and educates the community on creating an inclusive workplace environment."

Inspire Career Services is a proud partner of Vocational Rehabilitation Services.

ICS provides programs and employment services to individuals with disabilities to assist them in preparation for securing and retaining employment.

ICS provides Vocational Rehabilitation clients with all the components of employment services to include individualized preparation for the workforce.

The employment services include mock interviews, job readiness workshops, resume development, personal grooming, opening and closing statements for the interview, dress for success, networking and more importantly we are there with you every step of the way.

Employers

“ICS Understands the challenges employers face when building a dedicated team and is committed to face these challenges as your ally”

ICS provides employers with pre-screened and qualified candidates ready to join your team.

Our Pre-screening is at no cost saving companies time and money. We are committed to selecting the right candidates who are eager and capable of meeting the requirements of the job.

Our Staff will provide follow along services, job coaching for job retention and provide any accommodations required.

ICS staff will inform and educate our partnered employers about government tax credits received by hiring a diverse workforce.

Employers may save thousands of dollars per employee through federally funded employer incentive programs.
